

*Scott Larson*  
*"Big Lar"*

May 26, 1958 – December 28, 2019

***A message from Carolyn, Kevin, Bryan and Kyle***

It has taken us a while to reach out and respond to your thoughtful comments, as we are now starting to raise our heads above the fog, absorb the shock of the loss of Scott and starting to realize our new reality.

We want to sincerely say,  
*THANK YOU*

Words simply cannot express how deeply we appreciate the outpouring of love, support, guidance and the all help we have received from our family and friends. It has brought us strength in this difficult time. We feel privileged to have all of you in our lives.

On Sunday March 8<sup>th</sup>, 2020, we will have a private family scattering of Scott's ashes over the ocean, off of his beloved boat, SV Second Wind, out of Dana Point Harbor. Immediately following, we will have a celebration to commemorate Scott's life, in Dana Point from 1:00 PM to 4:00 PM.

*If you would like to attend, please send a confirming email before March 1 with who will be attending to the below email address. More information will be sent to you within a week of Scott's celebration.*

When someone you love becomes a memory, those memories become treasures.  
Come share your memories of Scott, "Big Lar".

Feel free to attach photos and send a message or memory too:

[CelebrateScottLarson@gmail.com](mailto:CelebrateScottLarson@gmail.com)

Those of you that will not be attendance, we ask that you have Scott in your heart.
